we decorate your floor

XTREME

Our world demands an **extreme heavy duty** vinyl flooring collection and this extensive collection delivers in every aspect, certified to Class 43 you know you have **a collection you can trust to last**.

Xtreme is the perfect choice when considering your projects, from a medical centre, senior living home to retail or commercial buildings. Xtreme ticks all your boxes for a **quality product with certified standards**. With its high wear-layer and compact backing resulting in minimal residual indentations and R10 slip resistance comes as standard. Xtreme also meets the strictest of environmental standards **low VOC emissions** and is **100 percent recyclable**.

The Xtreme collection comes in **4 colour palettes**, natural, modern, neutrals and flashy colours.

This is a work in progress collection.
Help us to improve, give us your opinion on our new collection.
